inÂ Kindle Store > Kindle eBooks > Business & Money > Marketing & Sales > Marketing > Web

Marketing #248 inÂ Kindle Store > Kindle Short Reads > Two hours or more (65-100 pages) >

Computers & Technology

## Customer Reviews

To a struggling blogger, this is an outstandingly helpful book. The author is clear and direct in his advice and there are a minimum of typos. Some things that he advises, I can do, right now, today. I intend to start applying what I learned immediately. I'm grateful for the help. Mona Jean Reed, Author of "If It Kills Me" and other books.

Not very informational if you have some basic knowledge. Some methods are rather sketchy and I

would advise not to do them. Also TONS of spelling errors and typos.

Gave a lot of specifics. Had a lot of steps, screenshots and clarity. Any one could follow the instructions presented.

There is also room for improvement I hope. Adding some user cases would make it better. Also readers would like to see outputs as well.
