# Donna Bell's Bake Shop: Recipes And Stories Of Family, Friends, And Food

## Synopsis

The heartwarming story of how NCIS star Pauley Perrette and her two best friends created a Southern-style bake shop in Manhattanâa celebration of love and friendship with gorgeous photographs and delicious recipes. Nestled in the heart of midtown New York is a little shop with a big story. An all-natural bake shop that specializes in Southern baked goods, Donna Bellâs is owned by Pauley Perrette, the actress who plays Abby Sciuto on CBSâs NCIS, and her two best friends, Darren Greenblatt and Matthew Sandusky. It was named in honor of Pauleyâs late mother, who is the beloved inspiration for everything they bake. It all started in 1993, when Pauley met Darren in New York Cityâs Hellâs Kitchen, just blocks away from where the shop is currently located. The two became inseparable friends and Pauleyâs Southern mom would welcome Darren to their home with mouthwatering treats. Darren loved this food and soon left his successful career in fashion to open a food truck that sold Southern desserts at the Jersey Shore. Eventually he wanted to expand and turned to Pauley and their friend Matthewâwho worked in the Los Angeles food industryâfor help. Soon Matthew was on his way to New York to open Donna Bellâs Bake Shop with Pauley and Darren. With recipes for favorites like buttermilk biscuits, chocolate chip-almond scones, and peach streusel muffins; personal photographs from Pauley, Darren, Matthew, and Donna Bell herself; this is the story how one fantastic bake shop brings warmth and happinessâone treat at a timeâto the urban jungle that is New York City.

## Customer Reviews

Hell's Kitchen is home to Donna Bell's Bake Shop with its Southern style baking. For Mother's Day I received the new cook book Donna Bell's Bake Shop: Recipes and Stories of Family, Friends and Food. The recipes, each with a photo, will bring on a bad case of sugar craving and an itching to get into the kitchen. (Or a sudden desire to visit New York City.) The bake shop was started and is owned by friends Pauley Perrette, Darren Greenblatt, and Matthew Sandusky. The store name honors Pauley's mother Donna. "Cooking and baking down South were a part of every day and every experience," Pauley writes. Essays by the three friends are interspersed between the recipes. We learn about Pauley's family, her career, and the friends she made along the way. Darren Greenblatt grew up in Philadelphia and was designing jewelry when he met Pauley in New York City. "I felt like I had found my long lost sister," he writes. Meeting Donna and helped her in her kitchen; he became obsessed with Southern cooking. Matthew Sandusky came from Pittsburgh and met Pauley in LA where she was breaking into acting. Each of the friends sacrificed something to make the bake shop become a reality. It is a labor of love. Pauley Perrette is one of the most recognized and beloved media figures in America. She plays Abby Sciuto in the television show NCIS. I first watched NCIS when my dad was in the hospital during his last months and I was staying across state to be with Dad. At the end of the day my brother and I would go back to Dad's house and chill out watching NCIS reruns. After dad's passing I returned home and introduced my husband to the show. Recipes include biscuits, muffins and scones, quick breads, bread pudding, bar cookies, cookies and cakes.
