# Children And The Law In A Nutshell, 5th Edition

 Nutshell Series

## Children and the Law

## Synopsis

This Nutshell follows the structure and format of the authors' casebook "Children and the Law: Doctrine, Policy and Practice. The authors have devoted entire chapters to the meaning of "parent," abuse and neglect, the foster care system, adoption, medical decision-making, support and other financial responsibilities, protective legislation, and delinquency. Representation of children is covered throughout the book. Also treated for comparative purposes are several relevant international law issues, including the UN Convention on the Rights of the Child, international child labor, and U.S. tobacco exports to children overseas.

## Customer Reviews

This is a good overview of federal laws related to children for professionals who come in contact with the Juvenile Court, as well as attorneys who practice there. It would need to be supplemented by an individual state's juvenile code. But as a quick overview, it is very valuable.
