Customer Reviews

One thing I always hated about other statutory books was their size, usually due to the fact that authors crammed in a bunch of additional s*** that we never used in our courses. Of course, your mileage may vary. This booklet is good quality, light, readable text and quality pages. In terms of getting a statute book for a class, this was my "favorite."

Buy "blue book" this every year. Its a lot easier to carry to court/meetings than the big red book.
