Business Bankruptcy: Financial Restructuring And Modern Commercial Markets (Aspen Casebook)

Synopsis

Business Bankruptcy: Financial Restructuring and Modern Commercial Markets provides students with a contemporary stand-alone business bankruptcy text. Designed to teach financial restructuring law in a realistic twenty-first century commercial context, the book explores not only Chapter 7 and 11 bankruptcy, but also out-of-court restructuring, modern financial products and transactions, as well as advanced in-court topics. This dynamic casebook is ideal for students who will go into financial restructuring practices and should be targeted to Tier 1 and Tier 2 law schools, especially those faculty members who have recent practice experience and know how out of date the existing competition remains. Look for these key features in the new edition: Expository text with tightly integrated statutory excerpts Covers both classic and contemporary cases Extensive problem sets In-depth case-studies contextual judicial decisions Unique coverage of legal issues in out-of-court restructuring Detailed coverage of modern financial products and markets Text and problem sets incorporate a range of deal documents Modular design enables optional coverage of advanced topics
