# **Increase Your Credit Score Fast - How To Remove ALL Negative Items From Your Credit Report (Improve FICO Score, Eliminate Debt, Debt Free, Financial Freedom)**

## Synopsis

1 in every 3 people in the WORLD are in debt. Why? So many people are in debt because they don't know the right way to get out of debt. Whether it is by paying off credit cards, eliminating an auto loan, or consolidating accounts, there are many options out there. In this book I explain all of those options and show you how to get out of debt by paying off your accounts and removing all negative items from your credit score. Yes, it is possible to increase your credit score while still having debt, and I am going to show you how. In this book I will teach you the step-by-step process that all those so-called "Experts" charge you thousands for. Whether you are looking to buy a new home, a new car, or just get your credit back on track, this book will help you greatly. The simple step-by-step guide not only works on regular credit card debt, it will work with charge-offs, repossessions, judgement's, short-sales, loan modifications, and even bankruptcies. Don't let your credit score effect your financial future any longer, get your hands on this book TODAY!

## Customer Reviews

This book gives good general advice. I was looking for detailed, step by step instructions with clear examples including sample letters that can be written. I want to know what to do, what to expect,

and how to respond in most situations. This book is not a guide.
