Cannelés De Bordeaux: Make Them At Home

Synopsis

Learn how to make Cannelés de Bordeaux at home with the simple recipe and techniques outlined in this book. From which molds to use to variations on the recipe you'll learn everything you need to know to make this excellent pastry. The second edition adds a Gluten Free Cannelés de Bordeaux, and additional hints to solve the "cul blanc" problem.

Customer Reviews

Scott Davis spent months perfecting the cannele and I could not wait until he published a book about the subject. He truly knows what he is talking about and hope he continues experimenting with canneles and sharing his knowledge. Beautiful photos with great instructions.

I'm a terrible baker, but following the recipe in the book, I made canneles that were crunchy on the outside and gooey on the inside! The instructions are easy to follow and the photos are beautiful. We keep ours on the coffee table!

Wondering if the beeswax and butter should be 50/50 by weight or measure ?Wondering if you

clean the beeswax/butter pan or put it in freezer for next time to reuse ?Do you have to use alcohol in the recipe?Love all the pictures and how the steps are broken down. Thinner and bigger book than I expected. It is helpful in the kitchen and while making them with my toddler.

Really helpful in mastering this deception simple recipe. th

Nice reading, but the recipe was less than effective. I love the way the custard originated from the leftovers from the use of egg whites in red wine production.
