Cultural Psychology (Third Edition)
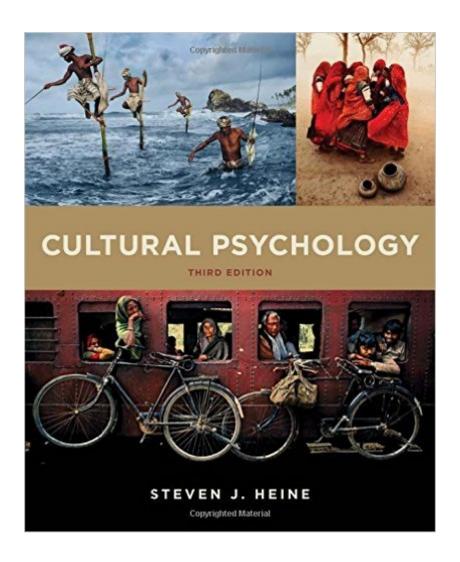

CULTURAL PSYCHOLOGY

THIRD EDITION

STEVEN J. HEINE

Synopsis

The standard for cultural psychology courses around the world. The most contemporary and relevant introduction to the field, Cultural Psychology, Third Edition, is unmatched in both its presentation of current, global experimental research and its demonstration of how cultural psychology is relevant to studentsâ ™ lives, their society, and the world around them.

Customer Reviews

Good overview of some important content in cultural psychology. New edition took out lots of stuff on attachment and rightly so as there isn't a lot of evidence to support most of it. What I don't like is the narcissistic use of personal experience. Also, can you say SELF-CITATIONS? Heine presents the research as if he invented the field.

when i got the book it was very worn out and had looked like the back of it had water spilt on it

Great condition!
