Customer Reviews

DINNER BOOK 44 Pages...30 recipes. DESSERT BOOK (phase 2 only) 35 pages...30

recipes. SNACK BOOK 54 Pages... but only 16 recipes (that seem very time consuming and seem more like a meal) WASTE OF MONEY.

Sent it back, not enough recipes. Marginal at best. Her books are poorly written with few recipes. If combined the three books I sent back would make one substandard cook book.

Very unimpressed with this book.

My husband follows south beach and he loves this author's books. He says she does a great job outlining everything and the food tastes excellent!

The South Beach Diet is awesome and finding new ways to enjoy it is always a bonus! I love all of Stephanie's books!
