College Accounting: A Career Approach (with QuickBooks Accountant 2015 CD-ROM)

Synopsis

Note: This book is a standalone book and will not include access code. The twelfth edition of COLLEGE ACCOUNTING: A CAREER APPROACH maintains its dedicated emphasis on the significance of the College Accounting course as true groundwork for students' future classes and jobs, with a greater focus on teaching the fundamentals of accounting from a career development approach. This text provides students an opportunity to learn the fundamentals of accounting and then apply these concepts with QuickBooks and Excel. COLLEGE ACCOUNTING: A CAREER APPROACH, Twelfth Edition, provides real-world context that keeps chapter content relevant and vital. You can now assign, grade, and assess your students' progress quickly and easily with CengageNOW for COLLEGE ACCOUNTING: A CAREER APPROACH, Twelfth Edition. End-of-chapter materials are available online, and your students can test their mastery of new concepts via a personalized study plan.

Customer Reviews

Book is in great condition. However take extra caution that you are getting everything you need when ordering. This does NOT have the cengage access code that you need to be able to do your assignments. I didn't realize this until after I had opened the book to get ready for my class, at that point it is too late to return it (no returns after the book has been opened) and you are out of luck, can't return it and no code. The code can be purchased for another \$134, rip off.

I had the same problem. I did not realize that the book does not come with the access code until I

started studying it. The note about not including the access code should be more visible. I am stuck with it because I started writing on it. And the CD does not work on Apple computers either!

THANKS SO MUCH! PERFECT
