## Customer Reviews

This book has a lot of jokes in it and is written for ages 4 - 10 and P - 4. The categories include the following: Bird, bug, cat, cow, dinosaur, elephant, fish, food, frog, horse, knock - knock, monkey, pig, rabbit, school, snakes and sports. There are more knock - knock jokes than any others and they are still as silly as ever. Lots of entertainment in this one...Most highly recommended.

I love this book. It tells the funniest jokes. Such as Q How do the basketball players cool off? A They sit next to a fan. See? U get it? It's a great book. Plz get it. I recommend it to everyone.

This is a great little e-book. Lots of joke books aren't very funny, but the kids and I like a lot of the jokes in this one. Some are not very good, but there are LOTS that are. I recommend it.

Johnny B. Laughing's jokes make even adults laugh! Much appreciated for a busy day or when visiting with family.

this book is not at all funny. some of the jokes are even defensive. one of the jokes end up with stinker bell !

This is a wonderfully funny book. So many jokes, so little time.
