Customer Reviews

I have no idea of how I ended up with this book! I just found it on my fire tablet. However, this is indeed a great book! If you want to get into the service or business of officiating or marrying couples, then this book is it! It has everything you need

This book informs and teaches, serving it all up in an easy to understand way. I highlight passages that detail what I need to remember to do when I reach that step during the process of getting my business off the ground! Great book!

Helpful advice from an author with a proven track record for clear, compassionate writing. If you're considering pursuing this path, Dayna gives skillful guidance.

Excellent information. A must read for anyone who wants to become a wedding officiant.
