## Customer Reviews

Title: Thai Food Made Easy Author: June Williamson Publisher: Front Table Books ISBN:

978-1-4621-1662-1 â œ Thai cooking is not hard. Once you become familiar with the ingredients, and make each recipe at least once, you will be cooking Thai food on a regular basis,â • June Williamson writes in the introduction to her cookbook, Thai Food Made Easy. At one hundred and sixty pages, this paperback targets those interested in food recipes from Thailand. With a third to full-page, full-color photographs that cover each of the complete meals, there are over seventy-five recipes. After reviews, dedication, table of contents, short introduction, and shopping list with three tips, seven chapters cover Thai recipes of appetizers and salads, soup and curry, rice and noodles, stir-fry, sauces, and desserts as well as miscellaneous meals. An index by title of recipes (not by main product used), measurement equivalents, and the authorâ™s biography complete the book. Taught how to cook by her Thai mother, Williamson says her recipes are primarily and naturally gluten free, except for the ramen noodles and spring roll wraps. With all having four to six serving sizes, the dishesâ™ contents must be bought mainly from Asian stores with grocery stores having a limited amount of items. After its title, each recipe has ingredients needed on the right side

of the page in used order. The directions are in number format in short, precise sentences. Tips are occasionally added. A color-coded side or bottom bar offers the shopping list necessities. No preparation or cooking time or nutritional or caloric information is given.
