Synopsis

WINNER! Best Musical - 2015 Tony® Awards! WINNER! Best Score (Jeanine Tesori & Lisa Kron) - 2015 Tony® Awards! WINNER! Best Book of a Musical (Lisa Kron) - 2015 Tony® Awards! WINNER! BEST MUSICAL - New York Drama Critics' Circle Award, Obie Award, Lucille Lortel Award, Outer Critics Circle Award, Off-Broadway Alliance Award FINALIST! The Pulitzer Prize for Drama

When her father dies unexpectedly, graphic novelist Alison dives deep into her past to tell the story of the volatile, brilliant, one-of-a-kind man whose temperament and secrets defined her family and her life. Moving between past and present, Alison relives her unique childhood playing at the family's Bechdel Funeral Home, her growing understanding of her own sexuality, and the looming, unanswerable questions about her father's hidden desires. *Fun Home* is a refreshingly honest, wholly original musical about seeing your parents through grown-up eyes.

Book Information

Customer Reviews

FUN HOME A FAMILY TRAGICOMIC is the latest work from the highly skilled, insightful, neurotic and wry-humored pen of Alison Bechdel, best known for her "Dykes to Watch Out For" comic strip. (One of the longest-running queer comic strips, "Dykes to Watch Out For" is over 20 years old, has been syndicated in hundreds of papers, released in over 10 books, and is available online via the author's website.) *FUN HOME* is Bechdel's graphically rendered account of growing up in rural Pennsylvania in the 1960s and 70s with a particular focus on influences of her father's life and death. Beginning with some of Bechdel's earliest memories of her father, readers meet a man who

was an intelligent, emotionally distant yet volatile, narcissistic perfectionist who struggled with secrets. Trapped in the town not only of his youth but that of his ancestors for several generations, Bechdel's father worked in the family business, a funeral home (known in the family as the "Fun Home") established by her great-grandfather in the 19th century. In addition to his interest in local history and historic preservation, Bechdel's father was a closeted gay (or bisexual) man who had a string of affairs, primarily with younger men, throughout his life. Divided into seven chapters, each of which deals with particular themes in her childhood, FUN HOME contains a strong emphasis on literary references. Chapters weave back and forth in time, revealing aspects of Bechdel's childhood and details of her father's death. Books and literature were an important influence in Bechdel's life growing up. Her father taught English Literature at the local high school while her mother studied theater and performed in community plays.
