# Practical IPad Guide For Seniors (For IPad / IPad Air / IPad Mini)

Synopsis

Practical iPad Guide For SeniorsLearn how to use the iPad Quickly & EffortlesslyA simple and practical iPad instruction guide to help you get the most out of your iPad. Learn how to use use your iPad by following this step-by-step iPad guide with tap-by-tap instructions.ËƒËƒËƒ Missing iPad Manual ? Itâ ™s Not Your FaultYou bought an iPad or got a present of one right? But why didnâ ™t it come with instructions ?Because your iPad is highly intuitive.Well the truth is folks at Apple want you to figure it out yourself but you and I both know thatâ ™s easier said than done right? I know how frustrating it can be.Admit to yourself that youâ ™ve already struggled a bit figuring out some stuff on your iPad. I have come across and helped hundreds of frustrated and confused iPad users in my previous job as an Apple workshop instructor.Now, I can save you all that time by quickly showing you how to do EVERYTHING you want to do with your iPad.ËƒËƒËƒ Free GiftsThis book also comes with a Free Gift (10 free gifts actually). You get access to 10 step-by-step video lessons with tap-by-tap instructions. Dive into the book and learn everything you need to know about your iPad to get you started.Click the Orange "Buy Now" Button on your Screen and Start Reading Instantly.

Customer Reviews

Finally a book with clear, consise, understandable information! This should be 'required' reading for Seniors who purchase an iPad. I have had my iPad for three years and have managed to set it up and can navigate through some of the features. I have grandchildren that have answered countless questions.However..... If you don't know what to ask you're in trouble! I have many of the Apps mentioned in this book, but I knew only the bare basics and have not been taking advantage of the offered features. I will recommend this to my friends and hope the stores that sell iPads will discover 'Practical iPad Guide For .seniors' and recommend it to buyers that are new to the iPad. Good job, Mike!

I am thrilled that someone thought of "us", the senior citizen. I haven't figured out every thing on the ipad yet but I'm enjoying what I've learned. Thank you so much for the simplicity, titling the pages, and the pictures. My only recommendation is "when you're speaking, you could slow it down a bit.

I'm curious about the title. What would the author have written differently for all ages? I read it through and highlighted details and new tips. As an 83 year-old senior, I do not always remember the info when I need it. So I'll keep this book on my Kindle as a reference for when I get stuck on my mini iPad.
