Meal In A Mug: 80 Fast, Easy Recipes For Hungry People-All You Need Is A Mug And A Microwave

Synopsis

For anyone who can't cook, won't cook, or doesn't have the time to cook—but still wants a fresh, delicious, home-cooked meal instead of takeout or packaged, processed food when they're eating alone—here is the answer. All you need for real food, really fast, is a large mug, a microwave, a handful of ingredients, and a spoon. Whether you're cooking in a pocket-sized apartment, a crowded dorm, or an office kitchenette, here are quick and clever recipes for breakfast, lunch, dinner, dessert, and snacks. Squeezing a home-cooked breakfast into your morning dash is no problem with Peanut Butter and Jam Porridge, Eggs Florentine with Hollandaise, or seed- and fruit-packed Breakfast Muffins. And no more sad office salad: whip up Spicy Lentil and Bacon Soup, Pea and Pesto Soup, and Shrimp Laska in the office kitchen for lunch, with a side of Honeyed Carrots or Garlicky Mushrooms! Chicken Korma, Thai Shrimp Curry, Wild Mushroom Risotto, Chili con Carne, and Sweet Potato and Chickpea Tagine make healthy, quick, and delicious dinners that easily trump overpriced takeout or preservative-laden frozen food. And mug baking is a piece of cake with Chocolate and Pistachio Brownies, White Chocolate and Lime Cheesecake, Berry Crumble, Sticky Gingerbread, and much more. Finally, don't forget the more conventional (but no less delicious) mug treats: Ultimate Hot Chocolate, Mulled Cider with Ginger, and Vanilla Latte. Yum! You will be in and out of the kitchen, cravings fully satisfied, in five minutes or less!

Customer Reviews

Had a lot of trouble my first year of college with the dining halls hours and lack of choices with food. This book has enough easy-looking recipes to change that this year! Plus it'll definitely be cheaper than all the take out I ordered lol

Some of these recipes are good just as good as regular recipes, even though most are cooked in the microwave.

This book is ideal for 1 person meals, great for college students as all the recipes are very easy and most of all delicious.

Really fun book with lots of easy recipes. The dessert section is the best. My 10 year old loves to make these recipes.

Not as great as I hoped and a bit much for the price. However, there are lots of recipes and some I may use.

Great as gift for graduation for kid heading off to college

arrived on time & as described. perfect graduation gift!!!

some good basic recipes nothing fancy as I expected
