This unique book is more than just a coloring book, it's a meditative journey. Valtopia is beautifully drawn and the included "Valtopia: Your Guide" thoughtfully guides you through a meditative journey - complete with a suggested essential oil and accompanying crystal.

What a unique and different book! You can not help but LOVE IT! when you get it and start coloring in it. I really like that it is UNIQUE and different in comparison to all the others out there that are pretty much all the same. I love the name too "Valtopia"

This is the best adult coloring book i have ever purchased, it has a deeply spiritual and meditative quality and the designs are absolutely gorgeous. I really loved the guide at the back giving deeper meaning to each image as well as the accompanying essential oils and crystals. I am going to purchase more of these books as they make great gifts.

This is such a great adult coloring book! I had to color a page right away when it arrived. The designs are each very unique and magical. It is such a nice touch to have a little information about each illustration along with recommended crystals and essential oils near the end of the book. It truly is an expansive coloring journey.

This is a beautiful book with great suggestions and recommendations for each picture in the back. The pictures themselves are beautifully drawn and the oil suggestions are perfect. It's a good way to relax your body and mind!
