Missionary Boot Camp: Mission Training

Synopsis

The Art of Waging War Against the Wiles of the Devil! Missionary Boot Camp sheds light on the road to the mission field, both in the urban arena and around the world. This book emphasizes the importance of becoming a soldier in the army of God-a spiritual warrior who wields the weapons of faith, prayer, and the Word-and outlines how to lead someone to God's plan of salvation. It also provides a wealth of practical information on topics such as activities for fellowship time, what to do around a campfire, work clothes for the wilderness, building fires, food storage, hunting and fishing, and navigating by GPS, the sun, moon, and stars. The Lord's army is a strictly volunteer force for those who are taught by the Holy Spirit, trained by experience, tried by adversity, and tested by fire. And Missionary Boot Camp will play an integral part in training missionaries to join this army of urban and wilderness soul winners!
