Customer Reviews

It mentioned links to apk resources would be provided, I assumed this would be more than one link. The only site mentioned had app after app Quran related. Wasted $2.99 on this one!

THE INFORMATION IS GOOD TO LEARN AND KNOW. WOULD LIKE TO HAVE SAME INFO ON GOOGLE PLAY APPS. WON'T HOLD MY BREATH THOUGH

Had to read it twice and am still not sure I fully understAnd it. Don't know if I'll try it for a while.

The best part of the book is showing where to find apps.
