FOCUS On Community College Success (Cengage Learning's FOCUS Series)

Synopsis

Note: This is a Standalone book and does not include access card/code. FOCUS ON COMMUNITY COLLEGE SUCCESS, 4th Edition, speaks directly to community college students, delivering strategies for navigating the unique challenges of juggling school, family, work, and living/studying at home. Updated with the most current research, this forward-thinking text continues to strive to improve student retention, motivation, and engagement, as well as offer proof of student progress and course efficacy through the Entrance and Exit Interviews. The fourth edition includes expanded coverage on resilience, with strategies for assessing and building resilience. A revised section on the importance of group work gives students the tools they need to successfully collaborate. Now available with MindTap, a fully online, highly personalized learning experience built upon FOCUS ON COMMUNITY COLLEGE SUCCESS. MindTap combines learning tools--readings, multimedia, activities, and assessments --into a singular Learning Path that guides students through their course. Staley, a leader in the field of motivation, helps students develop realistic expectations of what it takes to learn while encouraging and engaging them with direct applications and immediate results.

Community College-focused. Focus

On Community College Success is designed to help you develop the skills that will help you

succeed in college and beyond, including how to juggle school, family, and work effectively. Results-Driven. This forward-thinking text delivers concrete evidence that you are making progress—and that your time in the college success or first-year seminar course is well spent.

Attention to Career Exploration: Plan for Your Future. A collection of exercises will help you create a plan for your future. Wise Wanderings helps you draw connections between your personal interests and values to choose a career or recognize a passion. Crystal Ball gets you thinking about careers that require two- and four-year degrees. To help you get the job of your choice, Brand Yourself helps you to think about your personal “brand”, particularly in relation to your online presence. Student-Focused. Focus On Community College Success is totally engaging! It is personal and informal, and has a conversational style. Focus Challenge Cases open each chapter and present real students struggling with real issues, making connections between key issues and your world. A unique and personalized learning system tailors course work to your needs. And you can easily identify your learning preferences with the VARK assessment—a brief questionnaire that will help you assess how you learn best.
