Ultimate Immunity: Supercharge Your Body's Natural Healing Powers

Synopsis

If you think your immune system is just a simple thing that only helps you fight off colds and flus, think again. It is, in fact, a highly complex, protective, and intelligent system that can bolster health and healing from head to toe. A number of factorsâ€”from your diet, lifestyle, and the illnesses youâ€™ve had to the medications you take or the toxins and people you interact with on a daily basisâ€”can throw your immune system off balance, resulting in excessive inflammation that worsens allergies and pain and can even lead to serious health conditions. Donâ€™t panic: You can feed, nourish, and teach your immune system to work better, which will result in lifelong health. In *Ultimate Immunity*, experts Drs. Elson Haas and Sondra Barrett guide you through a unique plan aimed at balancing, amplifying, and managing your immune health. Beginning with easy-to-understand explanations of what the immune system is, how it works, and how it fails, then moving on to five important ways to reset it, *Ultimate Immunity* provides the answers you need. Including diet, exercise, and stress-reduction tips, as well as testimonials from people who used these methods to overcome chronic pain and immune health issues for good, *Ultimate Immunity* is your guidebook to total health.
