# The Little Book Of Horse Racing Law: The ABA Little Book Series (ABA Little Books Series)

Synopsis

The horse racing crowd is comprised of colorful, passionate people: where else can you find a mixture of farmhands, jockeys, old money, and gamblers? And when you force such an unruly world of disparate and singular people into the structure and formality of the legal system, you get a fascinating array of events and decisions. In twenty-one chapters covering everything from drugs to syndicates to cloning, The Little Book of Horse-Racing Law thoroughly covers the intersection of law and racing.
