The Wager Disaster: Mayhem, Mutiny And Murder In The South Seas

Synopsis

In 1741, the British warship HMS Wager crashed on the shore of an uninhabited island off the coast of Chilean Patagonia. One hundred and forty men reached land. Only thirty-six made it back home. The "Wager" Disaster is the extraordinary story of human endurance and the perseverance of those soldiers in the face of unthinkable adversity. Britain and Spain were at war, and the Wager was part of a small British squadron sent to extend the battle to their Spanish possessions in the South Seas. Unfortunately, there were no accurate charts of the west coast of South America, and much of the navigation was determined by guesswork. Vicious hurricane-force winds wrecked the Wager, separating it from the squadron. Starvation, exhaustion, hypothermia, and drowning quickly claimed most of the soldiers who survived the wreck. The rest rose up against the unpopular captain and set off in an open boat with no chart, resulting in one of the greatest survival voyages as the castaways made their way 2,500 nautical miles back to Britain. Drawing on the firsthand accounts of the survivors, The "Wager" Disaster tells the compelling story of a dramatic fight for survival under extreme conditions.

Book Information

Customer Reviews

I do like to read about ship wrecks - not only to learn of the resiliency of some People in the most Extreme conditions lacking Food, water- essentials, during disasters. Am Titanic buff. Well, I won't lie - it is because Lord Byron's grandfather was on the Wager that I decided to buy the book. I have only read bites of it. It's really a full report of the disaster! It has the documents written by Byron's father and there are drawings of the ship, etc...many. I won't spoil it for you There were other books

written on the disaster-C.H Layman's being the latest, and most detailed. It described the war in Spain too and the involvement With the British with vividity, and tell the persons of this affair.Well - just one of a kind book and again most detailed of all about the Wager. 5 stars!!
