The Best Way To Save For College: A Complete Guide To 529 Plans 2015-2016

Synopsis

The Best Way to Save for College: A Complete Guide to 529 Plans is the ultimate guide for families and professionals looking to plan for the future. With over 100,000 copies sold, it continues to be the number one resource on all 529 programs and other college savings strategies (including Coverdell Education Savings Accounts). Now in its 11th Edition, the book has been expanded to offer additional guidance for financial advisors. This includes a new chapter, which covers specific ways to incorporate college planning into an advisory practice and provides insight on areas such as scholarships and financial aid. What's more, Section Two of the book, which covers state by state comparisons of 529 plans, is now available in a convenient online format that offers readers complete access to the most up-to-date plan details at any time.
