# The Essential Guide To Wedding Planning: Expert Advice And Tips For Your Perfect Wedding

## Synopsis

A Perfect Guide & Planner for Your Perfect WeddingImagine your special moment â “ your wedding! â “ full of joy, positive energy, and the promise for the future. Imagine not only the special day, but all the preparations and planning for it, mostly stress-free, and filled with joyous anticipation and efficiency instead of feeling anxious about what’s going to come up next. That’s what you’ll get with The Essential Guide to Wedding Planning. This book covers everything from the engagement, timeline, checklist, and the budgeting, through the ceremony itself, guests, gift registry, flowers, and reception, to your honeymoon, saying thank you, and apps that will make the planning easier. What’s more, here you will find the things to keep in mind, things that guides usually ignore: the truth behind the bridezilla myth, crying and fighting, reassurance that your wedding is NOT an imposition, and a reminder to stay in the present and enjoy this wonderful, amazing, and inevitably wildly imperfect day. Weddings are beautiful. Sometimes they turn out wild, sometimes you need to plan them when the life hurts, and sometimes, they are everything you’ve dreamed of, and more. The Essential Guide to Wedding Planning will help you navigate the currents of one of the most emotional experiences in your life, and safely arrive to the other side and your new exciting adventure. You will learn essential tips on:â ¢ Budgetingâ ¢ Engagementâ ¢ Wedding Planning Timeline and Checklistâ ¢ The Wedding Ceremonyâ ¢ Attendants and Guestsâ ¢ Dress and Lookâ ¢ Flowersâ ¢ Wedding Etiquetteâ ¢ Wedding Reception Ideasâ ¢ Weeding & Gift Registryâ ¢ Honeymoonâ ¢ Saying Thank You After the Weddingâ ¢ Wedding Planning Appsâ ¢ Wedding Plannerâ ¢ Wedding Organizer

## Customer Reviews

I am happy to announce that I recently got engaged! (I know- I know- squee!). But now comes the time that everyone woman looks forward to her entire life and also dreads at the same time; wedding planning. I'll be honest, I was so so nervous thinking of everything that needed done. I love the man I'm marrying, I do, but the idea of a wedding never really excited me. I loved the idea of spending time with my friends and family celebrating the fact I'd met someone who I adored so much. Planning a wedding itself scared me. There seemed like there was SO much that needed done. I didn't have the funds to hire a wedding planner, but I still wanted help. One of my bridesmaids recommended looking into purchasing a few different 'wedding help books', and I began searching online. The Essential Guide To Wedding Planning caught my eye right away and it was one of the first books I bought. I sat down and read it immediately and soaked up every piece of information inside. The book was very well-organized and easy to follow. Even though there are so many different aspects of wedding planning to cover, this book didn't overwhelm me. Because it was organized in such a nice way, it was really easy to follow and remember all of the tips and tricks that I was learning. Unlike a lot of other books out there on this subject, this one was based on EXPERT advice- and I really appreciated the professional opinions that were put in this book. I felt like the author clearly knew what they were talking about and laid out everything in a way that even nervous little 23-year-old fiances like myself could understand. The book is packed with helpful information and really did make me a lot more confident about ensuring my 'big day' was a total success.
