Customer Reviews

The book came very well protected and in great condition. The notes are printed well, nicely bold and very clear to read! I appreciate to have this amazing boom in my hands. My instructor recommended to have this book and I can say that I am looking forward to learn these amazing pieces! :)

Still the best source for original classical arrangements! I've been playing for 40 years and I can tell you nothing beats the whole line!

Excellent selection

It is Beethoven, what further needs to be said? I Love It!

Got it quick. Great deal.
