Bankruptcy:: Dealing With Financial Failure For Individuals And Businesses (American Casebook Series)

Synopsis

Together, the four co-authors have taught bankruptcy courses at more than 20 very different law schools; one of them sat as a bankruptcy judge for nine years; and all four have substantial practice experience. Drawing on their diverse experience, they have prepared original text, problems, and edited cases with three goals in mind: (1) introduce students to one new bankruptcy concept at a time, (2) show students the connection among the various concepts and (3) give the students a sense of how these bankruptcy concepts are utilized in both the smallest personal and largest business bankruptcy cases. Typos in text. Little explanation of the material. Book is full of practice problems that would be helpful if explained.
