Pirates: The True And Surprising Story Of The Pirates Of The Caribbean

Synopsis

Piracy is an act of robbery or criminal violence at sea. Those who engage in acts of piracy are called pirates. The era of piracy in the Caribbean began in the 1500s and died out in the 1830s after the navies of the nations of Western Europe and North America with colonies in the Caribbean began combating pirates. In the early eighteenth century a number of the great pirate captains, including Edward 'Blackbeard' Teach and 'Black Sam' Bellamy, joined forces. This infamous 'Pirating Gang' was more than simply a thieving band of brothers. Many of its members had come to piracy as a revolt against conditions in the merchant fleet and in the cities and plantations in the Old and New Worlds. Piracy flourished in the Caribbean because of the existence of pirate seaports such as Port Royal in Jamaica, Tortuga in Haiti, and Nassau in the Bahamas. Inspired by notions of self-government, they established a crude but distinctive form of democracy in the Bahamas, carving out their own zone of freedom in which indentured servants were released and leaders chosen or deposed by a vote. Customer Reviews

I find this eBook very interesting to read. It has a great introduction about the world of Pirates. This eBook will help you discover the tales of the real life as a pirate of the Caribbean through the lives and deaths of history's most notorious pirate captains. You will learn the common types of pirates during those times. Find out how you can be a pirate crew and what is a pirate code. A detailed information about the most successful pirate are included in this eBook. What I like about this eBook are the short chapter summary on each topic that was discussed in this eBook.

I really enjoyed reading this book. I had learned something I never knew before. Piracy is an act of robbery or criminal violence at sea. Those who engage in acts of piracy are called pirates. I recommend this book.

Pirates were trained sailors and skilled seamen who found themselves out of work and struggling to make ends meet. When I noticed the title of the book "Pirates" .. I wondered what on Earth would be in a book talking about thieves, but I was curious enough to buy the book. The author really described everything related to those people. Who were they? Where did they come from? He made the topic very interesting. Many thanks to the author.

This book gives you the information about the Pirates of the Caribbean. Pirates of the Caribbean were trained sailors and skilled seamen. The life of the Pirates crewmen was far better and freer in terms of equality, compensation and fair payments. Out of all the Pirates Black Bart was the most successful pirate of the Golden Age of Piracy.

I love pirate stories and knowing history of the pirates is really amazing. Well, as I have read this book I learned what pirates do in there Era and why they do it. This book is really awesome on giving details on the history of pirates like their codes, pirate ship, territory and motives. Well, if you want also to learn more about the history of pirates this book is for you too.

This made things easy to understand, I got a bigger picture on what the story is all about though I have watch the movie as well.this is an easy read and if you are a a fan of this movie, you better get this book. Worth reading indeed!

I am a huge fan of the movie "The Pirates of the Carribean" and knowing a book like this made me really excited to have it more. I am always fascinated with Pirates along time ago and with that love

to Pirates I always what to know different kinds of secrets and surprising adventures. Reading this book was so exciting for me because of how great the adventures of Pirates are and how they manage to survive the furious of ocean.

I had such a fun time reading this book, it was very well explained. I enjoyed learning very interesting facts and theories about the pirates and how far they are from their stereotype. It was interesting knowing about them and why they choose that lifestyle. I would recommend this to all my friends especially to those who enjoy trivia and facts.
