Customer Reviews

Wow so many recipes in this set of books. These are great if you are looking for low carb meals. There are many recipes to choose from. You get the following low carb book recipes: 20 soup recipes, low carb snack ideas, 21 casseroles recipes, 30 dessert recipes, 23 cookie recipes, 20 salad recipes, and 30 dinner recipes. The soup and cookie books were the only two books that had the nutritional information while the other books didn't. I wish every single recipe had the nutritional information but not all books had that. But overall it is a great set of books to look into if you are looking to change your way of eating.
