# Make Money Playing Video Games: How To Build A Successful Gaming Channel On YouTube!

## Synopsis

Don't Just Build A Channel, Build A Business! You aren't just building a game of channel for the fun of it. Creating a gaming channel that makes money is a serious business, so we are going to treat it as such. This is the key to REAL results! Time Is Money - So Start Now! This book is structured in a way to get you up and going as fast as possible. Rather than filling the book with unnecessary fluff, this book sticks to the basics and only teaches you what actually works. It's Not All Fun And Games....If you're after a quick buck, creating a gaming channel honestly isn't right with you. Many authors focus on the money you could make with your channel, rather than focusing on the techniques and hard work required to get to that point. Nothing can replace the hard work required to create a good gaming channel. This book will make it as easy as possible for you, but only you can make it happen. All Of Your Questions Answered - Guaranteed! Creating a successful gaming channel is certainly a huge task, and as the author I'd love to help you every step of the way. That is exactly why you'll find my personal email address in the book, which you can use to contact me any time of the day. I can't wait to hear your success story! Book Length: 9,143 words.

## Customer Reviews

Takes 20 minutes to read. Some of it covering the basics with a scattering of okay information, or the essentials. Occasionally dropping enough information, treading enough ground, you'll likely learn something. Optimistic, which is nice.
