## Customer Reviews

This book is an insult. It begins by erroneously asserting, “You can easily combat it and live a happy and fuss-free life.” • Nothing could be farther from the truth. Stuttering is a battlefield covered by the bodies of stutterers who never found a cure “ many after a lifetime of time-consuming, mentally-exhausting and expensive therapy, clinics and reading. Stuttering is a Monster Disease that takes all the effort and planning imaginable. Stutterers need cures, and SELF-cures at that, as most of us can’t afford expensive clinics, therapists, and endless counseling. I was a serious stutterer and battled it for two brutal decades before finding hard-earned self-cures. Stuttering has become my charity, and, before I leave this terrestrial ball, I intend to help as many stutterers as I can “ and do it at no cost to them. To do this, I’m giving away (to all who ask as long as my funds last) A BOOK THAT DESCRIBES IN DETAIL SELF-CURES THAT WORK. In my twenties, I couldn’t even say my own name in court. By using the self-cures in the book “STUTTERING & ANXIETY SELF-CURES”, I self-cured. It’s on Kindle. If you want a FREE copy, just email your email address to me (info@leeglovett.com), and I’ll go on and buy you a gift copy “ no strings attached. I’m also going to conduct some FREE group-clinics on YouTube, to which I’ll invite you. I’m not doing this to make money; I’m giving back; I simply want to help stutterers. IF YOU STUTTER, you have nothing to lose and much to gain. So, why don’t you call my bluff right now and accept a free copy before I exhaust the funds that I have set aside to give this book to needy-stutterers?
