The Health Effects Of Asbestos: An Evidence-based Approach

Synopsis

The health-related effects of asbestos have long been mired in controversy, with industry and plaintiff attorneys playing a significant role. This comprehensive book provides a balanced and extensive evidence-based critical analysis of the literature concerning asbestos-related diseases, from a scientific and historical perspective. The book presents a carefully referenced review of the medical literature on the health effects of asbestos, and reflects the extensive experience of the author in evaluating patients with asbestos-related disorders.
