## Synopsis

St Patrick's Day Recipes - The Best of Irish Cooking, Drinks and Jokes For St. Patrick's Day! From our kitchen to yours, this is a collection of the best traditional Irish recipes for celebrating Saint Patrick's Day with your friends and family. We share some of our favorite Irish jokes, too, to get the St. Paddy's Day party going! Saint Paddy's Day is our celebration day for Ireland's favorite saint who both saved us from the snakes, and gave us our own day to celebrate our Irish heritage. There is something for everyone in this recipe collection for Saint Paddy's Day, so please join our cooking, drinking and joke telling party. The recipes and jokes have been donated by our colorful friends and family members. Here are some of the Irish recipes you will love: Nancy's Naughty and Nice Chocolate Cupcakes with Irish Cream Liqueur Frosting Sweet Talking Sean's Sacred Corned Beef and Cabbage Michael's Big Size • Hahgharty's Beef and Irish Stout Stew Marvelous Mary's Irish Chicken and Dumplings Powerful Pat's Irish Shepherd's Pie Goodnight Irene's Irish Soda Bread Pleasant Paddy's Irish Coffee To Ward Off The Chill, Or For Any Other Reason. We included some jokes about our friends who contributed to this recipe book. When you read about our good friend Famous Frank (who generously shared his Famous Frank's Famous Fried Cabbage recipe), and his adventures with the bottle, you will understand. We invite you to enjoy this bounty of fine food from Ireland, and raise a toast to the great Saint Patrick! So please scroll up and grab your copy now! ## Customer Reviews

Who would have thought that meal recipes go well with a joke on the side ? Not me - but clearly the author did a great job of creating a recipe collection that stands out and gives a tasteful delight to the Irish cuisine. A cuisine that I found very tasty a couple of years back when I had the chance to visit the country and try out some of the local food, and now I want to include some of those plates into our family dinners. The Irish author has a great light style of explaining the recipes and traditions for Saint Patrick's Day. There are lots of choices, both for a great meal and drinks (cocktails and mocktails for the kids) to go with the dishes.

This is MORE than a cook book because it contains great Humor in jokes and stories mixed in. Cost is next to nothing so it makes it great to give to friends and family at this Irish holiday. I'm baking my family's Irish bread recipe now, its way easier to buy or send this book. Don't be fooled by other books I've got (I have many) the recipes here are good and authentic. Clearly laid out. The Baked glazed Salmon with Whiskey and honey I've tried and its great The Shepard Pie is great, but allow more time for cooking. All and all the cooking times, ingredients and cooking instructions, clearly done by a chef, who can also tell a joke. Nice FUN gift for St. Patrick's day Working my way through the cooking one at a time. Your Irish cousins and Irish "twins" will love it.. Slainte, Michael

I was looking for a book for a Saint Patrick's Day party. This one had great recipes plus jokes the author tells about his family and friends who gave their family recipes! My pet peeve about cookbooks is that they are sometimes too general or assume you understand how to make the food already. This one explain what you do and why - loved that! The recipes in this one are formatted so you know precisely what ingredients you need and the sizes and shapes you are supposed to have. I tested these recipes and am looking forward to a big feast on St. Patrick's Day -- and a few laughs!

It is no longer St Pat's day but there are 2 recipes that I will be cooking tomorrow for dinner. Corned

Beef and potato casserole. The recipes are fun to read but they are going to better eating. At the end of some of the recipes are poems and little stories about the person responsible for the recipe. I didn't find any ingredients that are available locally.

Very nice and authentic Irish recipes, some additional innovative mixes like the Irish Nachos, and some fun cocktail drinks. Written in a light hearted manner, with a few jokes and toasts thrown in, this is a great book. The recipes are easy, and the time to prepare and cook them is listed, along with clear ingredient lists and directions. This is a great deal.

A fun recipe book with a bit of Irish perspective added. I made the Beef and Stout Stew for St. Patrick's Day and it turned out great. Recipes are well laid out and ingredients are easily sourced. A wonderful cookbook to have in your collection.

In the chill of March, this book makes me want to gather my friends and feed them a Saint Patrick's Day feast. I'm thinking the whiskey-glazed salmon, chicken-and-leek pie, followed by this book's version of chocolate cupcakes and Irish coffee. These are doable recipes you'll want to try, and there are funny Irish stories sprinkled among them.

I made the potato recipe for this year's dinner and it was fantastic. Everyone, including the kids came back for seconds. Also, I made the Irish punch. My kids decided they want to be Irish every day.gGreat book, funny stories, and delicious recipes.
