# Toy Making And Toy Games: How To Make Your Own Simple Wooden & Paper Toys And Easy To Play Games - Suitable For Toddlers, Kids And Adults!

## Synopsis

Make your own homemade toys and learn how best to play with them in Toy Making and Toy Games - a great beginner's manual. Ideal as a companion text for the beginning woodworker or young parent with a keen enthusiasm for DIY, this book introduces the reader to the basics of crafting wonderful, functional and reasonably simple toys. A range of wooden toys aimed at both young and older children are included in this book's pages. This guide contains instructions on how to make durable toys of wood, and disposable toys made of paper. The detail is laid out in plain, straightforward English easy for both adults and older children to understand. Illustrated diagrams sketch and portray approximations of each toy for better step-by-step assembly and visualization. Additionally, we are shown how to best to make use of certain toys which have been made as we examine and explain fun and easy to stage games involving the toys within this book. Thus the reader and his family or friends have the twin pleasure of making his creations, and using his creations once they are made.
