Customer Reviews

What a fun and enjoyable book!!! The recipes are so varied and easy to follow. The pictures of the recipes are outstanding. I have truly enjoyed the Honey-Pecan Chicken. It reminds me so of a now closed restaurant in the St. Louis area. The creamy tomato soup is so simple to make and oh so tasty!!!! The sweet potato soup and pumpkin chowder are absolutely wonderful and warming to make. The overnight cherry oatmeal doubled as a dessert at our house and everyone was so amazed and how simple and easy it was to make and it tasted wonderful. My uncle put some

whipping cream on top and let it melt down and truly enjoyed himself. I would really recommend this wonderful Gooseberry Patch cookbook to anyone's collection.

I usually have my husband tab each recipe that sounds interesting to him and I work on making them. I now have about 5 things I make on a regular basis that are in this cookbook. There are varieties of appetizers/soups, desserts, side dishes, main dishes, etc. The pictures throughout it are really well done and when you cook your products, they do look like how they are pictured! Definitely one of my favorite cookbooks.

I've been buying GOOSEBERRY PATCH cookbooks since day one, and I think this is the best Autumn book so far. I like the size of the book, not very many recipes, but all are delicious. The pictures are great and it tells me what I should end up with. I will give this as gifts come Autumn. Really nice, Gooseberry Girls...thanks.

Great Book, I love the snack recipes. I loved the Mac and Cheese cupcakes. I love Mac and Cheese, and just had to try them, I loved them. Lots of good recipes and simple ones, not a lot of hard to get ingredients.

There are many interesting and appetizing recipes that I would probably make. Good diversity of party entrees, soups, casseroles, and Slow cooker recipes. It's a "keeper" with the numerous recipes it contains.

I like all the Gooseberry cookbooks. Out of the three I have recently downloaded, this was my least favorite of all. That is not to say it is not a great cookbook, I guess I expected more recipes, but since it is limited to "Autumn" foods it is smaller. The recipes that are in the book are excellent. I am going to start working thru them.

I'm a Gooseberry Patch fan and I especially like their holiday cookbooks. 101 Autumn recipes is chock full of Autumn-goodness. In particular, there are some great recipes for dessert like Raisin-filled cookies, White Maple Fudge, Oh-So-Easy Peach cobbler. Each recipe comes with a yummy mouth-watering photo. I'm hooked on Gooseberry Patch- I hope they make more of these large format 101-recipe style books.

This e-book is great! I've found one great recipe after another. Hopefully I'll have tried all of them by the time the holidays roll around so I know which ones I'll be making for those "special days". Thank you for a wonderful collection of recipes and for the great price!!!
