Customer Reviews

These are perfect recipes (including yummy looking images) put together in a nice cookbook for the football season and beyond. One of my favorite ones has to be the triple bypass, and I was also wondering if my wife could make the mini Italian sandwiches. Wonderful for meat lovers, which is me. Hehe...

I am a Steelers and Ben Roethlisberger fan, and this book takes me back to tailgating parties. From Heinz Field Chipped Ham Barbeque to Pittsburgh Steelers Roethlis-Burger, the recipes in this book are juicy and mouth-watering. They are perfect for outdoor grilling and tailgating. Go Pittsburgh!!

If you are a fan of tailgating you have got to check this book out. The recipes are awesome and the author put them together in a very simple easy way to follow. Tailgating doesn't have to be fancy but it also doesn't need to be boring. Im putting these to the test. Thank yoU!

The Whistle blows, grab that spatula and drop into your three point stance and watch that burger sizzle thru the long count. This is Championship tailgating baby! With NFL tickets selling for the price of a used car, you need to step up your game. Your tailgating game. Are you seriously gonna serve plain weenies and soggy chips to your bro's when those durn visiting yuppie tailgaters fry burgers? Don't embarrass yourself, your bro's and your Home team. Step up that game, that tailgating game. Coach Kaleb has the winning play. Just kick back and grin as you watch your main bro sink his choppers into a juicy sizzlin' Roethlis-Burger while he snags a Smokey Slider with his lunch-hooks. This is the real-deal baby. Tasty, quick, easy to make munchies that will turn your tailgate party into something special, and those visiting tailgaters green with envy. This is the must-have bible for Pittsburgh fans. Fast, delicious recipes for tasty treats your bros never imagined. The Coach got his signals right, these are all winning plays. These tailgate masterpieces are so easy to make that even the Nose Tackle could serve up a culinary delight. Take it from an arrogant QB, a quarterback who likes to win games. Step up your tailgating party baby, circle your winning crew and glance to the sidelines 'cause Coach Kaleb has called in the winning play.
