## Customer Reviews

The weather is finally much nicer here on the east coast and it's definitely time for me to bring out the grill. If you are looking for some creative recipes THIS IS YOUR BOOK. I'm excited to try the grilled key lime chicken, bourbon steak, and more. This book also contains side dishes and even a brownie recipe. I'm glad I picked up this book, I love trying new recipes.

Awesome book with many many recipes for when you have your friends over during the summer! Its nice to have it on hand while prepping everything the night before.
