Synopsis

AWESOME VEGETARIAN VIETNAMESE FOOD RECIPES YOU CAN MAKE AT HOME
OUR FAMILY'S BEST VIETNAMESE VEGETARIAN RECIPES FOR HEALTHY EATING AND HEALTHIER LIVING
These family recipes teach you how to make authentic home-style Vietnamese vegetarian food in your own kitchen! I am Michelle Tran from Saigon / Ho Chi Minh City and my family makes Vietnamese vegetarian food every day and you can, too! We are Vietnamese cooking teachers and we teach you how to:
Select the freshest vegetables and products to make the most delicious Vietnamese vegetarian food
How to make every day vegetarian food that the whole family will enjoy plus sweet desserts
Understand the correct cooking techniques to make every dish authentic and delicious
How to flavor your vegetarian cooking so it has the right balance of spicy, salty, sweet and sour for your taste!
Here are some of the favorite dishes that we love to make:
HAPPY RICE NOODLE SALAD
VIETNAMESE CILANTRO PESTO • RICE NOODLE SALAD WITH BASIL AND CILANTRO
VIETNAMESE LETTUCE WRAPS WITH TOFU
SURPRISE

TOFU LETTUCE CUP
SHOT AND SOUR TOFU SOUP WITH LEMONGRASS
FIVE SPICE NOODLE SALAD
ZESTY FRESH VEGETABLE SALAD WITH CRUNCHY PEANUTS
REFRESHING VEGETABLE PLATTER
The Amazing Bounty That Is Vietnamese Vegetarian cooking!
Vietnamese cooking offers a huge variety of vibrant flavors, exciting colors and satisfying textures for any one seeking inspired vegetarian eating.
Vietnamese cooks and eaters highly value vegetables and fruits as they are available all year long, right from the family garden, nearby fruit trees, the many fresh markets or plucked from trees and bushes by the side of the road.
These recipes have been adapted from traditional Vietnamese family recipes. I have studied cooking with my mother and grandmothers since I was a little girl. We taught the American cook called "Chef Tummy" to cook our vegetarian style and now we want to share our family recipes with you in this English-language volume.
PLEASE ENJOY OUR BOOK AND DOWNLOAD YOUR COPY TODAY --
THANK YOU!

Customer Reviews

During my second tour in Vietnam I was an advisor to an ARVN infantry regiment in the Mekong Delta and absolutely fell in love with Vietnamese food. Sadly, although I've lived in many places both in the United States and abroad over the years, I've seldom been able to find any Vietnamese restaurants to satisfy my desire for more of it. That being said, I was thrilled to find Michele Tran's 'Vegetarian Vietnamese' cookbook and, while I do enjoy meat and fish, I've found these recipes to be very satisfying. Even better, they are easy to prepare although I do occasionally have to substitute the odd ingredient owing to my inability to find what I need in shops here in Spain. If you like Vietnamese food or if you are a vegetarian looking to diversify your recipe file, I'd highly recommend this book.

a sunburst of joy! I have been looking for a vegan Vietnamese cookbook for eons and here it is. San Jose Ca is the perfect place to find all of the ingredients I need. We have a bright productive Vietnamese community. This cookbook is just what I needed to satisfy my desire for home cooked

Vietnamese foods.

This book is a delight! There is not one recipe that doesn't sound fresh, simple and delicious. I must confess to not having tried cooking Vietnamese Vegetarian food but this has now changed. The spicy Cabbage Salad is to die for as are the Tofu Lettuce Cups and I can't wait to try more. The Lemongrass Lemonade is the next thing I'm going to make - sounds really refreshing. This book is a must for anyone wanting to vary their vegetarian diet but even if you are a meat eater, you will still enjoy the fabulous recipes. Recommended!

This book is a great introduction to both vegetarian cooking and the light and delicious Vietnamese-style cooking. I loved the detail of how to buy the ingredients and good substitutes for when you can't find the original herb or veggie. I want to try all the recipes!!

I love vegetables as much as I love Vietnamese foods! I'm a food lover and also likes vegetables so much. I like this book because it has a Vietnamese traditional recipes. I'm a person that loves to cook delicious foods especially vegetables. This book really helped me! Thanks to Michelle Tran for making this book. I will surely recommend this. ;)
