Customer Reviews

It brought back many memories of jokes my Dad used to tell. The jokes and riddles are mostly funny, but old jokes. If you are ok with old jokes, this book is for you. But, if you are looking for new, contemporary jokes, you will be wanting. I like the premise of the book. I like dirty jokes, but I want to see new and original material, you will not find it here.

Jokes can never be really dirty. They may be erotic, funny, bawdy but never dirty. A good joke leaves a happy mind happier and a dirty mind dirtier. This little book presents a bouquet of jokes. Enjoy them.

The theme was a tad repetitive, but there were some good ones. a quick read that made me laugh :)

definitely Adults only but he saves the best for last...to find out how to find a blind man in a nudist colony, read the last joke

quick book to read for a few laughs. A good chunk of blonde jokes. Worth reading and sharing the good jokes with friends

not bad, did get some new ones and some I forgot about.

Wow

Good jokes
