# Where Do Babies Come From?: Our First Talk About Birth (Just Enough)

## Synopsis

An engaging introduction for very young children to the basic facts of life in a way that is gentle, age-appropriate and accessible. Child psychologist Dr. Jillian Roberts created the Just Enough series to help parents and caregivers approach difficult subjects with little ones. These primers offer a gentle and accessible starting point for conversations about important topics. Â Â Â Research shows that children are learning about sex at an increasingly young age and often from undesirable sources. The Q&A format, with questions posed in the childâ™s voice and answers starting simply and becoming gradually more in-depth, allows the adult to guide the conversation to a natural and satisfying conclusion. Additional questions at the back of the book allow for further discussion. Â Â Â Where Do Babies Come From? is the first book in the Just Enough series. Other topics in the series will include death, cultural diversity and separation or divorce.

## Book Information

Lexile Measure: AD590L (What's this?)

Series: Just Enough

Hardcover: 32 pages

Publisher: Orca Book Publishers (October 13, 2015)

Language: English

ISBN-10: 1459809424

ISBN-13: 978-1459809420

Product Dimensions: 8.5 x 0.4 x 8.5 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)
