## Customer Reviews

This is a definite help in kick starting the spring/summer season and increasing the vitamin intake. Very imaginative combinations of fruit and veg, some of them quite unexpected for me, such as, for example, adding arugula or shredded cabbage to smoothies, but they tasted deliciously fresh. My particular favorites so far are the Peach and Melon, and the Blueberry and Passion Fruit smoothies. Looking forward to trying every single one of them!

Love it! Pretty much proves you can make smoothies with everything...

Looked the book through have not tried any recipes yet.
