Master Class Series*

Book 3
Small Things in Tiny Spaces

Eri Boyle

Synopsis

This is the third in the Polymer Clay Master Class Series and still focusing on clay techniques it also draws you into the world of miniature art. With over 25 years in the world of theatre and a Masters Degree in Polymer Clay I have created this book to carefully guide you through a vast range of techniques and projects that when pulled together always lead to stunning results.

Customer Reviews

I'm more interested in caning and big projects, so I'm glad this was a kindle unlimited and I got to read it for free as none of the projects were for me. It all depends on your taste. I'm sure she is a great artist and teacher. It just wasn't for me

Pictures clear, well laid out and easy to read loved the gallery at the back

Perfect book! Clear pictures, easy creations - all in one place!

This is really a project book more than general techniques. It is not as well put together as some others, such as Donna Kato's work, and Christie Friesen.
