## Customer Reviews

The recipes I've tried so far taste much like I remember from our family dinners, Dutch/Indo socials and pot luck gatherings. The tastes and aromas are heavenly and inspire me to want to try more. I am pleased so far.

a very good book, with lots of explanation especially good for people that are not too familiar with the Indonesian cuisine. I cook a lot of Indonesian cuisine, I was born on one of the islands, and my grandmother is Indonesian, so I can give this book a good rating

NICE BOOK
