# Rabbit Hawker's Dogs: Dogs For The Bush (The Falconer's Apprentice Series Book 4)

## Synopsis

This is Book 4 of The Falconer's Apprentice Series. Every falconer needs to seriously consider adding a dog (or two!) to the team. In this book, the quarry is rabbit. What is the best dog breed to use for hunting rabbits with a hawk? With the help of eight highly accomplished rabbit hawkers, we explore the virtues of the Beagle, Brittany Spaniel, Jack Russell's Terrier, and Miniature Dachshund. Learn about selecting a pup, how to raise and train a rabbit-hunting dog, and how to hunt them under a hawk. This is the only book of its kind!

## Customer Reviews

Each chapter in this book is written by a different hunter. These are people passionate about hunting with their hawks and dogs, and most importantly working them together as a team. I bought this because I fancy working and sporting dogs and I was not dissatisfied by this work. The book had chapters on the Beagle, the Britanny, Miniature Dachsund, and the Jack Russell Terrier. I also learned more about falconry and the advantages and importance of hunting with dogs. I enjoyed reading how the raptor, dogs, and hunter form a team and work together to catch rabbits.

very good introduction to what dogs and training techniques are used to prepare a rabbit dog to work with a trained hawk.
