Synopsis

Winter is coming. And It Does Not Have To Be Cold & Cruel! Do you despise the chilly morning? Do you feel like skipping the breakfast because you're too cold and lazy to wake up and work so hard to prep your food? Or do you feel like coming home from long day's work to find warm and hearty soup waiting for you on the table? Maybe you feel like you didn't have to do so many dishes! If you are feeling so, we're here to help! We have compiled dozens of slow cooked recipes that will help you throughout this winter. Just set your lunch/dinner early in the morning (or before leaving for work) and voila, dinner is ready by the time you get back. Or, simply set your breakfast in the evening/night and wake up to an the most delish casseroles you've ever had. We have included 50+ slow cooked recipes in this edition. Some of these are: Slow Cooked Philly Cheese SteakCreamy Broccoli SoupSlow Cooked PizzaChicken CurryAvocado Burger PattiesTurkey Sausage Breakfast...and so much more 5 Star Review - "This is a really handy and helpful cookbook! I never really used my crock mostly because I was mostly unaware about vast recipes that the device could make. But this might change all that. Really helpful." - Jamie F. 5 Star Review - "This is prefect for me and my family. We are not morning people and making food in early is always so tedious. But not anymore! " - Jennie L. 5 Star Review - "It's Christmas for me! The set and forget instructions as given in this cookbook is brilliant. Got myself a digital crock-pot the other day and tried the cheese lasagna. Brilliant! " Phillip P.

I love the because there are so many recipes to choose from and they all sound yummy. These recipes are definitely great during the winter months and I think everyone should give them a try. Time to get cooking!

Just now looking through the book. A lot of good sounding recipes. I can't wait to try some of the soups

Great recipes! Super easy to follow and the recipes were delicious!

Downloaded it, need to read it

I'm not sure what the very first thing I ever cooked by myself was, but I remember the disasters. Well, this cookbook help me to learn lots of thing about how to cook and i found inside the book lot's of delicious items which is given with clear processing system. I also read few cookbook and it's also just like those others but this book will be better for me as a beginner if there have images with recipe items. Anyway nice effort of recipe collection.
