Delectable Dump Dinners: Frozen Meal Recipes Ready When You Are

Synopsis

Help! I Can't Cook, Give Me Something Easy to Make! OK, this is a very simple concept for cooking. All you need is a good recipe book, a desire to eat, and a slow cooker. Oh, and the main ingredients. Then you are ready to Dump it and Go. Most of these recipes start with some kind of meat or poultry; then maybe a few vegetables and spices. This is nothing fancy, but very easy and delicious and will taste like a gourmet meal. Trust me on this. You can mix most of the recipes ahead of time in about 30 minutes or less. Then store them in a zip lock bag in your freezer or a short time in your refrigerator until you are ready to cook. It's easy and convenient and there is no shortage of flavor. You will feel like a Pro in the kitchen simply by following a few simple steps, then letting the slow cooker do all the work. Inside you will find my all time Quick and Easy Slow Cooker favorites ... ENJOY!! Recipes You Will Discover Inside Freezer Meal Dump and Go Jambalaya Meatball Soup Dump it Pot Roast And MANY more! Would You Like to Know More? This book contains 25 delicious easy dump it recipes with no shortage of flavor. Are you ready to cook like a Pro in just a few simple steps? STOP WAITING! Scroll up and purchase Delectable Dump Dinners

Customer Reviews

Was nervous when it said "froze meals" until I really got into the book and read it. This book is

awesome especially for someone who is really busy or in school. Especially for the meal preppers out there!! Check this book out!

I guess I should have read the description better, but I did not realize this book only has 32 pages. However, even the minuscule size of the book did not prepare me for the lack of effort put into the design of this book. There are no photos of the food other than the front cover. The text looks like it was typed up in MS Word and pasted on the pages. The recipe titles don't even have any styling different than the text font other than being a lighter gray. I guess the publisher decided to put as little effort into the design of this book as "dump meals" are to make.

Delectable is the perfect word to describe these dinners. Another word that would be perfect is EASY. This book is amazing for newer cooks looking for diversity. This cookbook has a wide range of foods perfect for any night of the week!

This book was what I was looking for. With my busy schedule, this book showed me how to make food ahead of time and store them in the freezer to eat later. The recipes in this book are unbelievable and taste so good.

This is GREAT! I am all about quick and easy when it comes to meal time, and these meals are just that, and then some! Easy to prepare, cooking times are not bad, and the end results are delicious!
