## Customer Reviews

I recently started a Gluten diet and this book has been instrumental in keeping my on point. I especially love the Curried Quinoa Mango Salad recipe and the Pizza Quinoa Stuffed Portabella Mushrooms. I would definitely recommend this book to anyone looking at following this type of diet. I

never would have thought there was this many delicious ways to prepare Quinoa.

My family enjoys QUINOA and we are always looking for exciting ways to prepare the superfood. Jack Green has provided lots of new ways that we are ready to try. This looks like a cookbook that I will enjoy and return back to on many occasions.
