Customer Reviews

I need a cookbook for the new electric pressure cookers, these recipes are really worthless and they don't list everything you need in the ingredients. One recipe actually called for 2 cups of nutmeg... Are you serious?!? Not explained step by step directions, more all over the place directions. Buyer beware!

I love these books! I am always after easy recipes yet still healthy. And I found what I'm looking for in this book. All the recipes are scrumptious, so easy and yet still healthy! I also love the variety of recipes, from yummy salads and soups to delicious meat recipes. My electric pressure cooker will have an exercise for the next days! And my family will surely love all the foods that I will be cooking

for them. Thank you so much for this! I would recommend this to all my friends, family and colleagues!

When i purchased this particular ebook as it seemed like it would possess a lot of formulas, in addition to When i was not unhappy. There was clearly in addition good quality info initially about buying a good shape pot and many safety guidelines. Subsequently there was a lot of formulas, of effortlessly separated way up in to dinner in addition to treat formulas, and then lunch time formulas. When you would like several beautifully tasty formulas this can be a ebook.

This book is great! I got this for my wife as she's into cooking. As I had a quick flick on the pages, I found a lot of interesting recipes that I think are good and what's best about it is it can be done by the use of an ordinary pressure cooker, no state-of-the art cooking arsenal else needed. Another thing is, this is a great buy! Imagine for only the price of a single book, I got 15 more cookbooks absolutely free! I highly recommend this to all cooking junkies out there.

Maybe 6 stars....how is this not a "win"? Great overall value with a ton of useful, easy and healthy recipes. The variety of the detailed recipes is almost overwhelming plus the extra content of the series is an excellent bonus. I think of the time and money I am going to save with this at my Kindle fingertips.

One of the best books about Electric Pressure Cooker ! I loved this book too! It is a part of the series and all books are very good! I loved it too because it has got the same structure as the others! Also it contains amasing recipes! I tried the first 2 recipes and i am speachless of the result!

The use of cooker can help you out in making your meal preparation process easy and you do not have to wait for hours to get the toughest things become tender. Books provide information on the recipes and nice soups which you can make easily at your home just within few minutes, thus making your cooking easier and quicker one. If you live a busier life, you have got to grab this book for you reference

A great book full of lessons about electric pressure cooker. It has basic step by step procedure on how to use the pressure cooker and make specific recipes by using it. The book contains many recipes ranging from stews, soups, to delicious meaty meals. I recommend this book.
