## Customer Reviews

Brad does a good job of breaking down the topic for the reader. The templates for outlining at the end are absolutely brilliant. Brad writes from a lot of experience and this comes through in this book on writing templates. I would not hesitate to recommend it. Can't wait for his next book.

Great writer. Love my journey as an aspiring writer. This guide makes it easy

Really a waste of time. Even to simply download and look at. Oh, well.

I love it. Can't put it down.
