Customer Reviews

We all know the frustration of getting a puppy and thinking it will all be easy. Then, it starts chewing on our stuff and getting dirt everywhere and peeing all over the place. That is where Tom comes in with this masterpiece of a book. It tells you everything you need to know to go from clueless about puppies to controlling exactly what your dog is doing. It is so important to start when they are puppies if you want to control your dog. You don't want to see the nightmare of what happens if you fail to get it right. If you have a puppy or will be buying one soon. You must read this book!
